CERTIFICATE OF BENEFICIAL OWNER(S)

To help the government fight financial crime, federal regulation requires certain financial institutions to obtain, verify and record information about the beneficial owners of legal entity customers. Legal entities can be abused to disguise involvement in terrorist financing, money laundering, tax evasion, corruption, fraud and other financial crimes. Requiring the disclosure of key individuals who own or control a legal entity (i.e., the beneficial owners) helps law enforcement investigate and prosecute these crimes.

The information below must be completed by the person opening a new account on behalf of a legal entity with any of the following U.S. financial institutions: (i) a bank or credit union; (ii) a broker or dealer in securities; (iii) a mutual fund; (iv) a futures commission merchant; or (v) an introducing broker in commodities. For purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States or foreign country. Legal entity does not include sole proprietorships, unincorporated associations or natural persons opening accounts on their own behalf.

Control Person: Please provide the following requested information. All information is required unless otherwise noted and must be completed by a person with the intent to open an account or apply for credit. Additional information may be requested based upon the response provided. The following information for one individual with significant responsibility for managing the legal entity listed above, such as:

- o An executive officer or senior manager (e.g., Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, Managing Member, General Partner, President, Vice President, Treasurer); or
